@ISUW\_India

@India Smart Utility Week (ISUW)

@India Smart Utility Week (ISUW)

@indiasmartgridforum

1. Successful Experiences in India and Lessons Shared
2. Case Studies from Brazil
3. Policy & Regulatory interventions

- 1. What priorities are given to managing non-technical losses**
  - How are they managed effectively
- 2. Can non-technical losses be managed by technology alone or a combination of PPT (People – Process- Technology)**
- 3. Is climate change playing a part in rising T&D losses?**
  - Are there key areas of retrofits to reduce these operational losses?
- 4. How does Advance Metering Infrastructure enable additional capabilities in loss reduction?**

# THANK YOU
